FLIGHT SIMULATOR

Take off into the wild blue yonder on board our full motion simulator. You will experience an exciting five-minute ride simulation of an F-18 Super Hornet on a training mission. Catapult from the runway of an aircraft carrier much like the Yorktown CV10, complete a bombing mission, dog fighting through a canyon, refuel mid flight and land back safely aboard the carrier. With 15 seats inside, the entire family or group can ride together. Take pictures and videos while on board and share with family and friends.

- 1) Simulation film is Screaming Eagles - An F-18 Super Hornet Training Mission
- 2) Lasts about five minutes
- 3) With a 15 seat capacity groups move through quickly - no long waits
- 4) This is a full motion simulator, not a flight simulator - no flipping, spinning or going upside down
- 5) The motion is about the same as a busy car ride
- 6) No seat belts or harnesses needed
- 7) Conveniently located near your event for easy access
- 8) Air conditioned ride - great air flow
- 9) Family friendly ride - must be at least 38 inches tall
- 10) Exciting but not extreme
- 11) Take selfies and videos during ride to share later
- 12) Open food and beverage containers are prohibited during the ride

***2 hour minimum rental required- please inquire about pricing**

USS YORKTOWN (CV-10) - HANGAR DECK

This detailed floor plan of the USS Yorktown (CV-10) Hangar Deck is oriented horizontally, with the ship's bow on the right and stern on the left. The deck is divided into three main hangar bays: Hangar Bay #3 (left), Hangar Bay #2 (middle), and Hangar Bay #1 (right). Hangar Bay #3 contains a green biplane and a red dashed box for the 'HB 3 Event Area' (90' x 39'). Hangar Bay #2 features three blue biplanes and a large red dashed box for the 'HB 2 Event Area' (196' x 13'). Hangar Bay #1 includes a blue biplane, a red dashed box for the 'HB 1 Event Area' (57' x 24'), and a red dashed box for the 'Fantail Event Area' (54' x 44'). The plan also shows the 'MEDAL OF HONOR MUSEUM', 'MAIN ENTRANCE ELEVATOR #3', 'RESTROOMS', 'STAGE', and various other facilities like 'ELEVATOR', 'EXIT', and 'STAIRS'. A scale bar at the bottom right indicates distances in feet.
