

PATRIOTS POINT DEVELOPMENT AUTHORITY
REQUEST FOR BIDS
SOLICITATION #PPDA24-0502-01
SHIPBOARD ALARM SYSTEM UPGRADE
Page 1 of 2

Patriots Point Development Authority (Patriots Point) is accepting quotes for the upgrade and replacement of components related to the fire and flooding alarm systems onboard the USS *Laffey* located at Patriots Point Naval & Maritime Museum in Mount Pleasant, South Carolina.

Patriots Point is an agency of the State of South Carolina. All bidders must have a vendor registration number which is registered on the State of South Carolina procurement website. The vendor number must be listed on the bid submittal along with all the bidder's contact information. The submittal must match the information on the vendor registration site. The successful bidder must accept a State of South Carolina purchase order along with payment terms (payable with submission of invoice after completion of all work and processing by the state).

The vendor number must be registered here to bid on this project:

<https://apps.sceis.sc.gov/SCVendorSearch/supplierSearch.do>

Note: If the bidder is not currently registered with the South Carolina procurement site, it could take up to 30 days to receive a vendor registration number.

General Description: provide all labor, material, and equipment necessary to install the following fire and flooding alarm items:

| Qty | Item |
|-----|---|
| 1 | Addressable fire alarm panel (Wi-Fi dialer capable) |
| 18 | Smoke detector with base |
| 2 | Heat detector with base |
| 5 | Pull stations |
| 17 | Mini monitor modules |
| 17 | Winland (or equal) water bugs |
| 3 | Wall-mounted horn strobe fixtures |
| 2 | Ceiling-mounted horn strobe fixtures |
| 13 | Wall-mounted strobe fixture |
| 1 | Doc box/surge protector |
| All | Material and installation (includes all water bug wiring) |

Location of Work:

Patriots Point Naval & Maritime Museum
USS *Laffey* DD-724/Main Pier
40 Patriots Point Road
Mt. Pleasant, SC 29464

Bidders interested in this project shall be a legally licensed entity that designs, builds, and installs fire and flooding protection systems as a part of its daily business model.

An onsite visit and walk through is required and can be arranged by calling the listed contact. Inspections and ship checks may be held Monday – Friday between 7:00 am and 12:00 pm. Each company shall satisfy themselves as to the scope of work and material requirements of this project. There are no plan drawings available for distribution.

All costs of delivery are to be included in this price. There will be no upcharges allowed for incidental costs to the providing company. Price will be all inclusive, including any taxes.

All components shall be equal to or better in quality and performance than the currently installed system. Components shall be the latest generation of hardware and software for the bidder-supplied system. All components shall be new.

This project is time sensitive. It must be completed and invoiced no later than June 30, 2024.

Bids not received by the due date or that do not comply with the minimum specifications will not be considered. Any questions or concerns should be addressed in writing by email in advance of the bid date. Patriots Point reserves the right to reject any and all bids for the convenience of the government.

Bids will be opened on May 16, 2024, at 10:00 am on board the ship and must be dropped off at the Patriots Point gatehouse (next to the Ship Store) no later than 9:00 am on said date. Bids will remain sealed until time of opening. No email or verbal bids can be accepted. Bids shall be submitted on company letterhead and accompanied with all pertinent component information to include warranty.

All bidders will be notified by email with the results after tabulation.

Write on the bid envelope:
