Written Determination**

Agency Identification: P36 - Patriots Point Development Authority (PPDA)

Description of the agency need that this procurement fulfills: *(See instructions on last page for guidance)*

This project provides permanency to temporary repairs made in tanks by a SCOR project.

Describe the Market Based on Research Performed: *(See instructions on last page for guidance)*

N/A for this project. Specialized ship repair project requiring first hand onsite knowledge.

Sole Source Vendor Name: Shipwright, LLC. Vendor # 7000372595

Based upon the following determination, Agency proposes to acquire the supplies, construction, information technology, and/or services described herein from the vendor named above per SC Code Ann § 11-35-1560 and SC Regulation 19-445.2105, Sole Source Procurement.

Description of supplies, construction, information technology, and/or services vendor will provide under the contract: *(See instructions on last page for guidance.)*

Contractor will provide labor, expertise and materials to enter shell adjacent tanks and make repairs to seal penetrations in the watertight boundaries. This requires confined space entry and rescue personnel.

The scope of work was 'hands on' with tank entry being made to remove toxic waste fuels.

Explain why the described solution is the only solution that meets the agency's need and how no other identified solutions were sufficient. *(See instructions on last page for guidance)*

All tanks to be worked are full of water ballast. There is no way to perform a site visit or ship check of this work for outside procurement purposes. It must be first hand knowledge which was gained during the toxic waste removal project that was accomplished by the SCOR office.
